**IMPORTANT NOTICE**

# IMPORTANT!

The way North Dakota Medicaid Expansion covers outpatient prescription drugs is changing. As of January 1, 2020, outpatient pharmacy benefits will go through the North Dakota Department of Human Services (DHS), and not Sanford Health Plan. Use your ND Medicaid ID for these services, not your Sanford Health Plan member ID.

After January 1, 2020, call ND DHS about your pharmacy benefits at (800) 755-2604 | TTY: 711.
